INFORMATION SECURITY GROUP

WEEKLY REPORT

September 28 - October 4, 1988

SUPPORT TO HEADQUARTERS COMPONENTS

25X1 A representative of ISTAC attended a meeting with representatives of OSWR, OIR, OIT, and OL to review a proposal from [] to provide high speed graphics output devices for the CRAY. Computer security issues were reviewed and recommendations made regarding secure maintenance procedures and access control to the output devices and to the network monitoring system.

HQ 25X1 A representative of ^{ISG/}~~CSD~~ Headquarters Branch surveyed all major computer systems used by the Office of Technical Services. Computer security recommendations were made and HB will assist OTS with correcting the identified problems. Other security issues which are expected to arise in the future will be addressed by HB. []
